Terms & Conditions

- Where a student cancels his or her training prior to commencement a fee will not be charged
- Where a student cancels his or her training in a module after commencing, a refund will not be issued
- In the event a student cancels his or her enrolment in the Diploma qualification and has completed some of the units of competency, a refund will not apply for completed units and the student will be issued with Statement of Attainments as appropriate.
- Where a student completes their qualification before the payment agreement ends, full payment of all outstanding tuition fees must be paid before the Certificate will be issued.
- Accounts are strictly 14 day from invoice date

I acknowledge and accept that this is a binding agreement between Jigsaw Consulting Group and our organisation. I have read and understand this Course Fee Payment Agreement and agree to abide by the terms and conditions in this agreement and pay the entire course fees.
